WELCOME

WELCOME

Welcome to the 2010 Championships. Once again, the finest players from more than 60 countries will compete in the five main Championships events. In addition, the three Veteran and four Junior events will also contribute to the excitement for spectators at one of the world's greatest sporting events.

Although the major changes to Centre Court, including the roof, and the new Court 2 were completed for the 2009 Championships, work continues at the south of the Grounds. A new Court 3 will be open for the 2011 Championships together with new facilities for marquee hospitality guests and The All England Club's Groundstaff. For 2010, you should be aware that the southern courts have already been renumbered to accommodate the consequences of this work (please refer to the map in this Guide).

For safety and comfort reasons, we would ask that spectators do not use glass drinking vessels on the show courts; in addition, all drinks taken onto show courts or into the stands of any court should be covered to avoid spillage. Hot and/or strong smelling food will also be prohibited on the show courts.

5

WELCOME

It is once again necessary to implement comprehensive security measures for all those visiting The Championships; this will include:

- ★ *extensive searches on entry to the Grounds and the show courts*
- ★ *NO left luggage facilities inside the Grounds. Left luggage space will be provided outside and you are therefore encouraged to bring as small a bag as possible or at least leave yourself enough time to deposit any bags you do not require during the day at one of the outside facilities*
- ★ *travel restrictions. You are strongly recommended to use public transport wherever possible (please see the section ‘Travelling to The Championships’ which details the comprehensive options available).*

We know that these procedures may be inconvenient but we are equally sure that you will understand the need to protect the safety and security of all our visitors.

Play is scheduled to start on Centre and No.1 Courts at 1.00 p.m. for the first eleven days and at 2.00 p.m. on finals days. On all other courts the start of play will be scheduled for 12.00 noon for at least the first eight days and 11.00 a.m. for Junior matches on the middle Saturday and the start of the second week.

*We hope that you enjoy your visit
to Wimbledon.*

SAFETY & COMFORT

The Championships Grounds cover more than 40 acres and are built on land which is not totally level. As well as this, at certain times (for example, before, between and after matches as well as during periods of inclement weather), parts

of the Grounds can become very busy. We therefore urge you to take care and to consider your own and others’ safety and comfort by heeding the following advice:

- ★ *wear appropriate footwear (note: flip-flops and high-heels are not recommended). This will help you as you make your way to and from the Grounds, enter and exit the stadia and negotiate some of the more challenging areas of the site, especially during, or as a result of, inclement weather.*
- ★ *allow good time to reach your seat, or any other destination, avoiding the need to rush through any crowded areas.*
- ★ *take particular care when negotiating stairways, both inside and outside the stadia and especially in crowded conditions. In common with most other sports and entertainment venues, there are no supporting rails to the tiered sections within the courts.*
- ★ *beware of extreme weather conditions; in particular, remember to take appropriate protective measures when spending periods in the sun. Wearing a hat, applying sunscreen regularly throughout the day and drinking plenty of water are all strongly recommended in such conditions.*
- ★ *do not leave any items unattended at any time.*
- ★ *if you face challenges/difficulties in negotiating distances or hilly ground, it may be easier for you to bring a wheelchair. If this is the case and you have tickets for a show court, please check to see if your tickets are in an area which accommodates wheelchairs. If not, you will be asked to leave the chair in a designated area and then access your seat by stairs or lift, if available. Please note that neither the AELTC nor St John Ambulance provide wheelchairs for visitors.*

8

SECURITY

SECURITY

This year, once again, comprehensive security measures will be in place for all those visiting The Championships; these will include extensive searches on entry to the Grounds and the show courts. You should note the restriction on the number and size of bags which may be brought into the Grounds.

*One bag only per person will be allowed
and this bag must measure no more than
18" x 12" x 12" (45cm x 30cm x 30cm).*

*Further, no hard-sided items (e.g.: picnic hampers, coolboxes or
briefcases) of any size will be allowed into the Grounds.*

Left luggage facilities will again be provided outside the Grounds for items exceeding these criteria and for any other items you do not need during the day. Every effort will be made to speed your progress through the search procedures; however, this process depends on the requirements of the Metropolitan Police and you are strongly advised to arrive as early as possible after the Grounds open at 10.30 a.m. We know that these procedures may be inconvenient but we are equally sure that you will understand the need to protect the safety and security of all our visitors.

SECURITY

YOUR TICKETS

Demand for Wimbledon tickets always exceeds supply; therefore the Club operates a public ballot for the sale, in advance, of a number of Centre, No.1 and No.2 Court tickets. Tickets are also sold through The Lawn Tennis Association to British Tennis Membership, schools and foreign tennis associations. Despite increasing pressure to the contrary, it is our policy to retain a significant number of tickets for the general public including an allocation of tickets for sale on the day. We also continue with extensive measures to minimise the ‘black market’ and ensure that tickets are used by those who originally bought them.

TICKET CONDITIONS

Your attention is drawn to the following extract from the Club’s ‘Conditions of Sale’:

1. *Tickets shall not be resold or transferred (save as mentioned in (2) below) and shall not be purchased or obtained from or through any person, commercial agent, company or otherwise than directly by the applicant from the Club or its authorised agent. Any tickets advertised for sale will be void.*
2. *If more than one ticket is issued to an applicant those tickets may be used*

10

TICKETS

CONDITIONS

11

TICKETS

CONDITIONS

- only by the applicant and the person intending to accompany that applicant to and at The Championships. The provision of such ticket by an applicant to such person without payment shall not contravene (1) above.*
3. *Tickets are issued subject to Conditions of Entry established by the Club from time to time and the Club shall be entitled to refuse admission to any ticket holder in reasonable circumstances and shall give written reasons if requested. A copy of the full Conditions of Entry currently in force is available on the Official Web Site of The Championships and is also available on application.*
 4. *Any ticket obtained in breach of these Conditions shall be void and all rights conferred or evidenced by such ticket shall be nullified. Any person seeking to use a ticket obtained in breach of these Conditions in order to gain or provide entry to or remain at The Championships will be a trespasser and will be ejected and liable to legal action.*
 5. *Tickets remain the property of the Club at all times.*

CANCELLATION OF PLAY DUE TO RAIN

Details of the Raincheck policy introduced in 2001 are as follows and apply to all 13 scheduled days of The Championships, including the final Sunday.

- i. If there is less than one hour's play because of rain on the court for which tickets have been bought, the original purchasers of the tickets for that court on that day will be refunded with the amount which they paid for those tickets—the maximum refund payable will be the face value of the tickets for the day concerned.
- ii. Purchasers of ground passes at the turnstiles (except those purchased after 5.00 p.m.) will be eligible for a full refund if, due to rain, the average amount of play on those courts accessible with a ground pass and for which play was originally scheduled is less than one hour.

- iii. If there is more than one hour's play, but less than two hours' play, refunds will be limited to half the amount paid.
- iv. The Referee's decision on how much play has taken place will be final.
- v. Only the *original purchasers* are eligible for refunds under this policy. Refunds will be paid out automatically for tickets bought in advance, but tickets bought at the Club's turnstiles (prior to 5.00 p.m. only) should be returned without delay to: The Ticket Office, The All England Lawn Tennis & Croquet Club, "Raincheck", P.O. Box 98, London SW19 5AE.
- vi. In view of the numbers that could be involved, *please do not call at the Club's Ticket Office or telephone the Club.*
- vii. Tickets purchased at the Ticket Resale kiosk are not covered by this policy as the monies are passed to charity.
- viii. Separate terms and conditions apply a) to Debenture Holders as notified by The All England Lawn Tennis Ground plc and b) to any extra days of play.

In the event of any curtailment or cancellation of play, due to any cause (other than negligence of the Club) other than rain, it is regretted that no refund of money can be made.

ACCESSIBILITY

The Committee and Management of The All England Lawn Tennis & Croquet Club endeavour to provide a high standard of accessible facilities for visitors and spectators with a disability, including those using a wheelchair.

If you have any comments or suggestions for further improvement please write to the Chief Executive at the following address: The All England Lawn Tennis & Croquet Club, Church Road, Wimbledon, London SW19 5AE.

LONG

PLAN

Since the 2009 Championships, work has progressed at the southern end of our Grounds towards the creation of a new Court 3, together with a new Court 4 on the other side of the extended St Mary's Walk.

New Court 3, a 2,000 seat open bowl stadium, with commentary and TV camera positions and two large screens, will be opened in

2011. Underneath the terracing will be amenities such as public toilets and a lost property office.

New Court 4, like new Court 3, is also scheduled to open in 2011, but for 2010 the concrete base will take a temporary grandstand to enable Court 5 to be scheduled as a show court.

St Mary's Walk is the major pedestrian access route running from the top of Aorangi Terrace past Centre Court down to the southern courts. For 2010 it has been extended to the south end of Court 8 to make it much easier for spectators to move around this part of the Grounds.

As part of the same project, other facilities at the southern end of the Grounds are also under construction, including a single storey Facilities Building, as well as a new Groundsman's Office, Maintenance Workshop and related storage.
